## WHY GIVE TO HARD AS NAILS MINISTRIES?

We are on a mission to awaken the world to the power of God's Love. Our vision is to make a world where no one suffers alone. This is a tall task which doesn't come without great financial expenses. It is through our generous donors, believers, and benefactors that each year HN expands, grows, and impacts more and more lives with a message of hope that can change their lives forever. We need **YOU!** You are the hands and feet of Christ in a nation that is suffering greatly.

**NOW'S THE TIME AND YOU'RE THE ONE!**

# WHY DONATE?

---

## ★ Vehicles And Facilities

HN has two facilities and is responsible for the upkeep, maintenance, and expansion of each property as the mission grows. The National You're Amazing Headquarters is located in Lakeland, NY, and the You're Amazing Guardians of the Eucharist Mission Center is located in Liverpool, NY. These facilities are home to the missionaries and are the office spaces for HN staff. HN has multiple vehicles, including a tour bus, mini bus, vans, and sedans.

## ★ Missionaries

The missionary program is growing quickly each year! Young people, ages 18-25, give up a year or two of their lives to serve as full time volunteer missionaries with Hard as Nails Ministries. They are trained in meeting people where they are at as the missionaries travel throughout the country impacting thousands of lives each year. The missionaries are trained to be courageous, authentic, and obedient, while focusing on the Four Pillars of HN: sensitivity to sin and suffering, building and finding community, service to youth, and evangelization.

## ★ Events

Our main speaker Justin Fatica, along with a team of missionaries and staff, travel on the You're Amazing Tour Bus to multiple cities each year, spreading the "You're Amazing" message and transforming many lives through the power of the Holy Spirit. HN hosts 16 different types of events including the "You're Amazing Experience" large scale ticketed events, high school assemblies, children book readings, youth groups, confirmation retreats, father/son retreats, evangelization trainings, and more!

## ★ Community Outreach

The heart of HN is sensitivity to sin and suffering. Our community outreach is an essential part of encouraging those who are suffering most. Home to the HN Headquarters, Syracuse, NY, is the 8th poorest city in the country. Our community outreach in Syracuse includes:

- Monthly Homeless BBQ's, where we offer a meal and encouragement to the homeless in our city
- Annual Christmas Giveaway, where we provide wrapped Christmas gifts for the most poverty stricken families in the city
- AAU Basketball team, coached by Justin Fatica, is home to many young inner city men who find brotherhood, hope, and family in the team. A documentary is currently being filmed on their stories and the "You're Amazing" message.

## ★ Media

HN media reaches thousands of people throughout the world each year. The goal of our media is to draw people into a closer encounter with Christ, as well as to find community. This is achieved through the tireless efforts of our media staff and missionaries who produce videos, social media content, emails, blogs, and much more! The excitement of filming new documentaries and series within the next several years is another avenue in which HN media can reach more souls with a message of hope and encouragement.
